Competition Classes

AZ CUP 2019 will be held in three classes: **Club Class**, **Combi Class** and **Duo Combi Class**.

Club class (with handicap)

Club class is open only for gliders included in the CZ index list (CZIL) valid for the year 2019. Club class is open only for gliders with handicap of maximum value **108,8 (Discus 2a/15m)** according to CZIL only. Competition tasks will be set for Cirrus Std.. Water ballast is not allowed.

Minimum number of pilots in the class is 10.

Combi class (with handicap)

Combi class is open only for gliders included in the CZ index list (CZIL) for the year 2019. Competition tasks will be set for LS 8 18m with water ballast (handicap 116,5 according to CZIL)

Water ballast is allowed.

Minimum number of pilots in the class is 10. Determining is the number of competitors who enter this class during registration. If the number of pilots in Combi class will not reach minimum of 10, the competition will be opened in one class only, with no water ballast allowed and tasks will be set for ASW-19 (handicap 100,2 according to CZIL).

Duo Combi Class (with handicap)

Duo Combi class is open only for two-seater gliders included in the CZ index list (CZIL) valid for the year 2019. Changing the crew (both pilots) is not allowed during the competition. Competition tasks will be set for Duo Discus with water ballast (handicap 111,0 according to CZIL). Water ballast is allowed.

Minimum number of pilots in the Duo Combi class is 8. Determining is the number of crews which enter this class during registration. If the number of pilots in Duo Combi class will not reach minimum of 10, the crew will be allowed to fly in Club or Combi class.

General Competition Rules and Local Procedures

The FAI Sporting Code General Section and Section 3 with its Annexes will apply. The Local Procedures will be issued and published on the competition website.

The Organizer will publish all coordinates of the take-off point, turn points, control points and airspaces in required formats on the official competition website. It is the responsibility of the competitors to load these in their current version into their flight recorders/navigational instruments. We recommend all competing gliders to have a functional Flarm instrument and its OGN registration.

The competition is valid only if at least 3 valid Competition Days take place during the Contest flying period.

Entries

Entries will be accepted only online via official [entry forms](#) published on official website of the competition. Incomplete entry forms or those containing inaccurate information, which will not be updated, will not be accepted. Once a competitor has paid Entry Fee, he/she will be included in the start list and so will have the right to compete.
